

TAPERED SQUARE

Coming at 90° from your sides, the tapered square-shaped Tapered Square displays a variety of graphics on the square in a profiled shape. It is the best choice for events and trade shows.

It comes in multiple sizes—from 10' to 12' to 14' per side. Custom sizes are also available.

For added visibility, the tapered square can be used as a single unit or in larger booth spaces, can be paired with multiple tapered units to accommodate specific products or marketing messages.
