GrandStand is one of the largest retractable banner stands on the market. The GrandStand comes in two standard widths and allows for substantial height adjustments. The GrandStand unit is self-contained in an aluminum case. The aluminum casing has shoulder strap slots for easier carrying. The GrandStand sets up in seconds. It has two rotating feet for stability and the telescoping pole is equipped with a twist-lock so the height of the graphic can be varied. Units are available in black only.
